October 2016

Dear Pirates, Guardians, Family and Friends,

Welcome back Pirate Families! It is hard to believe that we are ending our first quarter for the 2016-2017 school year. The school year is off to a great start and we are looking forward to wonderful things this year at Pasco High School. Please take a few minutes and check out our school website at <http://phs.pasco.k12.fl.us>. On a serious note, at PHS we take our student safety as our top priority. If at any time you and/or your student feels that he or she is being harassed or bullied, please visit the school or district website to report the incident or call the school and speak with administration immediately. As we work together we can demonstrate our shared commitment to our students and instill confidence, self-esteem, and responsibility. It is my hope that each student will strive to reach his or her highest potential. If at any time during the year you should have any questions, please do not hesitate to contact me.

It's great to be a Pasco Pirate!

Sincerely,

Kari Kadlub
Principal

Out of Field

Teachers: Florida Statutes require that we report to parents any teacher who is teaching a subject(s) outside his/her certification area. The following teachers are in the process of taking the required course work to earn their certification: Shabanese Brown and Jordan Fulford.

English and Reading teachers who teach students that qualify as English for Speakers of Other Languages (ESOL) are required to take 300 hours of additional course work beyond their teaching degree to earn an ESOL Endorsement to their teaching certificate. The following teachers are in the process of taking the required course work to earn their ESOL Endorsement: Shabanese Brown, Cory Engle, Jordan Fulford, Carolyn Graham, Joseph Pless, Heather Vaughn and Kelsey Whitaker. All of our out-of-field professional educators are dedicated to helping students succeed in their learning!

Tareas requeridas para la enseñanza “fuera de campo”

Los Estatutos de Florida requieren que los padres estén informados de los maestros que están enseñando una materia fuera de su campo de certificación. Los siguientes maestros están en el proceso de tomar los cursos necesarios para obtener este certificado: Shabanese Brown y Jordan Fulford.

Cuando un maestro(a) es el proveedor primario de enseñanza de Artes del Lenguaje y/o Lectura de un estudiante ESOL, el estado también requiere que tome cursos/servicios para obtener la aprobación de ESOL. Los siguientes maestros han aceptado tomar cursos para esta aprobación de ESOL: Shabanese Brown, Cory Engle, Jordan Fulford, Carolyn Graham, Joseph Pless, Heather Vaughn y Kelsey Whitaker.

Todos nuestros maestros que enseñan una materia fuera de su campo de certificación están dedicados a ayudar a los estudiantes a tener éxito en sus aprendizajes!

If you have a twitter account, follow me at @phs_principal to get updates and photos of events at PHS.

AVID

We are happy to announce that Pasco High School, for the 4th year, has achieved AVID (Advancement Via Individual Determination) certification!! AVID is an elective class offered to students who would like to prepare for four-year universities. The curriculum features writing, inquiry, collaboration, reading, note-taking, study skills and college/career/and motivational activities. We are currently in our 6th year and plan to continue helping students achieve their dreams of furthering their education.

April 3, 2017	Report Cards
March 20-24, 2017	Spring Break
April 28, 2017	Progress Reports

Cambridge Programme :

The Cambridge Programme is in third year of implementation at Pasco High and is growing each year! The Advanced International Certificate of Education (AICE) program is an international pre-university curriculum and examination system for academically able students. AICE is internationally recognized as a university-level qualification and is committed to a flexible curriculum with global acceptance while maintaining the academic rigor that is a keystone of Cambridge. The AICE program of study offers students one of the most demanding and rigorous college preparatory programs in the world. The AICE program at Pasco High School includes a pre-AICE program for freshmen and sophomores with advancement to the full AICE program during their junior and senior years.

For more information, please attend one of our Parent Informational Nights on:

October 25th Pasco Middle School Auditorium at 6:00 p.m.

November 1st Weightman Middle School Cafeteria at 6:00 p.m.

November 15th John Long Middle School Cafeteria at 6:00 p.m.
