

## 2017-2018 Parking Information & Policies

Students who are eligible to drive according to Florida law and attendance standards are allowed to park on campus by purchasing a parking permit. All student drivers are expected to follow all parking procedures and policies, including fully registering the car with the school and taking the "S.A.F.E." driving course. This is a CANVAS course that requires an online test and a paper that is due to the school SRO before becoming eligible for a parking permit. Parking at Pasco High School is considered a privilege and these policies should be completely read and understood before purchasing a permit.

Parking permits have increased in cost to \$20 to purchase at the beginning of the year.

When parking, students must only use their assigned parking lot. Students are NOT permitted to go to their vehicle during the school day. The gates will be locked after first period until the end of sixth period. If this causes an issue with your schedule because you are off campus more than 1<sup>st</sup> and 7<sup>th</sup> period, you will need to get an Partial Day Parking Permit to be allowed to leave mid day.

Students must understand that driving an automobile to PHS and parking on school property is a privilege and not a right. PHS retains the right to revoke parking privileges at any time during the school year for violations of the Student Code of Conduct or the Parking Procedures. This includes violations of the attendance policy. Parking Permits may be revoked by the school for failure to follow school rules. This may include, but is not limited to, leaving campus without permission, being in the parking lot without permission, excessive absences/tardiness to school, and/or discipline issues.

All students must display the Parking Permit on the bottom front left or top left of the windshield (whichever allows for the safest driving picture) at all times. Students who park their car at school without permission or in an unauthorized location are subject to being towed at their own expense. All students will park in the main parking lot adjacent to the football stadium.

Be aware that upon reasonable suspicion students, lockers, cars, or other areas may be searched for prohibited or illegally possessed substances or objects.

Any violation of safety, parking or school rules involving a student and a vehicle will result in a fine. Fines will start at \$10 for the first offense, \$20 for the second offense, \$30 for the third and termination of parking privileges after that point. Fees will be assessed on a referral.
