

2015-2016 Parking Information & Policies

Students who are eligible to drive according to Florida law and attendance standards are allowed to park on campus by purchasing a parking tag. All student drivers are expected to follow all parking procedures and policies, including fully registering the car with the school and attending the "Safe Behind the Wheel" driving course. Parking at Pasco High School is considered a privilege and these policies should be completely read and understood before purchasing a tag.

Those students who submit parking info on Registration Day will receive a temporary parking tag on that day. All other students will need to see Mr. Brady in his office to confirm their registration and pick up their parking tag. No student will be able to park on campus without a tag. During the first month of school, all info will be confirmed and final parking tags will be issued.

When parking, students must only use their assigned parking lot. Students are NOT permitted to go to their vehicle during the school day. The gates will be locked after first period until the end of sixth period. If this causes an issue with your schedule because you are off campus more than 1st and 7th period, you will need to park in the baseball field parking lot.

Students must understand that driving an automobile to PHS and parking on school property is a privilege and not a right. PHS retains the right to revoke parking privileges at any time during the school year for violations of the Student Code of Conduct or the Parking Procedures. This includes violations of the attendance policy. Hangtags may be revoked by the school for failure to follow school rules. This may include, but is not limited to, leaving campus without permission, being in the parking lot without permission, excessive absences/tardiness to school, and/or extreme discipline issues.

All students must display the parking hangtag on the bottom front left of the windshield at all times. Students who park their car at school without permission or in an unauthorized location are subject to being towed at their own expense.

Be aware that upon reasonable suspicion students, lockers, cars, or other areas may be searched for prohibited or illegally possessed substances or objects.

Please sign below to indicate that you have read and understand this copy of the PHS Parking Information & Policies for the 2015-2016 School Year and that you I agree to follow these policies. A a copy of this document is available at the PHS website.

To receive a parking tag, the student must have and submit:

- A signed policy sheet
- A complete vehicle application
- The \$15 parking fee paid in full
- Completion of the "Safe Behind the Wheel" driving course.
- Visual confirmation of the Insurance Policy card under which the student is covered
- Visual confirmation of a valid Driver's License
- A 2.0 Grade Point Average (as verified by the SLHS administration)
- Continued positive attendance records (as verified by the PHS administration)
